COLLECTION 7435

Inspired by the Art Deco periods of the 20's and 30's, Americus showcases a rich, Russet Mahogany finish including book matched crotch mahogany tops with walnut borders, fluted channels, and dentil moulding for a truly distinct transitional style. Function is also paramount with features that include wire management, fully extending drawers and locking pedestals. In addition, Americus also features cleverly designed concealed storage accessible via spring loaded panels.
