SOHO VENEER COLLECTION 7845

2

*Construction - Construction consists of cherry veneers, select hardwoods and wood product with a Bourbon Cherry finish, including solid wood pilasters and mouldings. Drawers feature a four-sided construction of 7/16" solid material screwed to drawer fronts featuring solid maple/poplar framing over cherry veneer panels.*

*Styling - Traditional / transitional design featuring reverse-diamond match cherry panels, cross-banded with figured cherry veneers and highlighted with inlaid walnut bands. Additional design details include half-rounded columns and "break-front" decorative base detail.*

*Function - All drawers are suspended on ball bearing slides. Box drawers have 100 lb. rated slides; file drawers have 150 lb. rated slides and keyboards have a 50/75 lb. rating. All file drawers are equipped to accommodate front-to-back letter sized or side-to-side legal sized hanging file folders. All cases are equipped with levelers to adjust for less than even flooring.*

*Computer applicable furniture features cable grommets or other access openings for easy and neat computer cable management.*

Keeneland - a name synonymous with the picturesque Kentucky Bluegrass - dedicated to preserving the rich heritage of the thoroughbred industry while also promoting innovation. This thoroughbred icon serves as inspiration for our Keeneland Series, a traditional / transitional collection of office / home-office furnishings featuring elegant, reverse-diamond match cherry veneer panels, cross-band with figured cherry veneers and highlighted with inlaid walnut bands surrounded by ornately shaped picture frame mouldings. Other details include half-rounded columns and "break-front" decorative base detail. The series is solidly constructed on wood, wood veneer and select wood product with a rich Bourbon Cherry finish. Construction includes solid wood pilasters and mouldings. All drawers have finished wood interiors and are suspended on black, full extension, ball-bearing slides. All drawers also feature English dovetail construction.
